1

▶ Panel III: Cybersecurity, norms and values

Why capacity building
on cybersecurity/
cybercrime?

Purpose, objectives,
rationale

Bring together different
constituencies &
stakeholders around
common goals

2

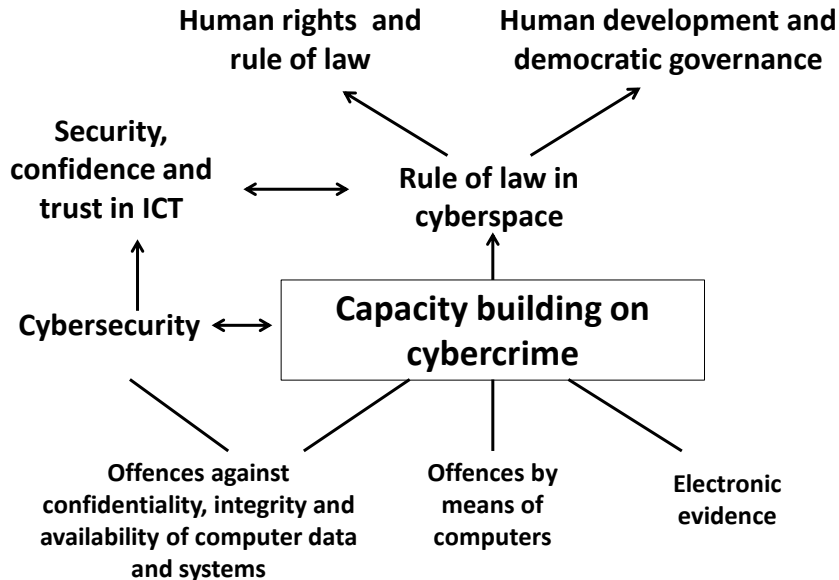

3

4

► Capacity building on cybercrime: the purpose

5

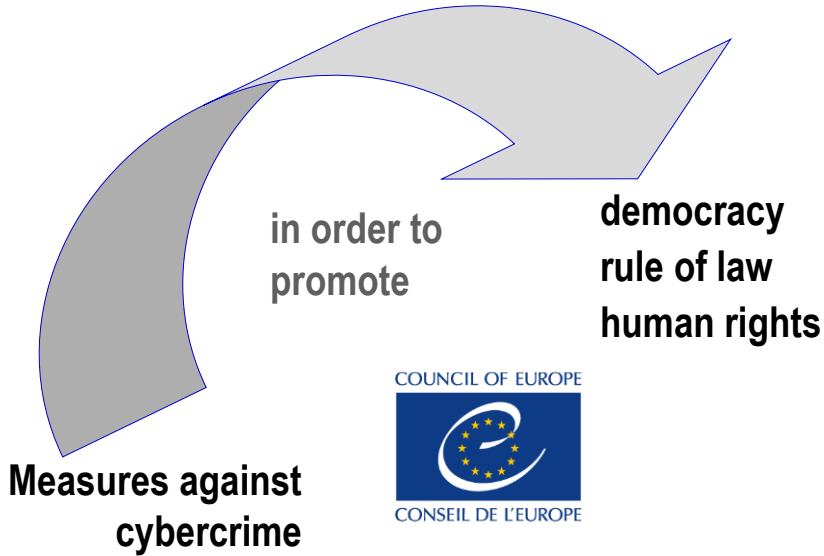

► Capacity building on cybercrime: advantages

- Responding to needs and producing results and impact
- Multi-stakeholder cooperation
- Contribution to human rights and rule of law in cyberspace
- Contribution to human development and democratic governance (link to development agenda)
- Reducing the digital divide
- Broad international support

Problem:
Development cooperation organisations not yet involved.
